

## Better decision-making support for you and your provider

## You take care of your lungs, we plant trees!

Easier to determine when it's time to get in touch with your clinic

Treatment decisions based on real day-to-day symptoms, not just clinic tests

Get points when you complete tests in the app

When you have enough points, you get a tree in the app

We plant real trees!

## Breathe easy with AsthmaTuner

A clear treatment plan that's always available in the app

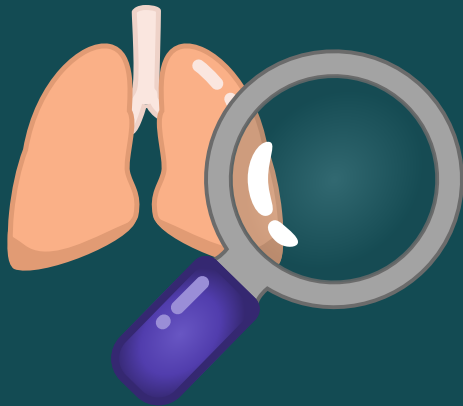

See how you're doing in your daily life, not just at the clinic

Test data is automatically shared with your clinic

**Skip the waiting room!  
Test your lung function  
from home!**

**App & smart  
lung function meter**

**Your clinic sends a  
treatment plan to the app**

**Controlled Asthma:**

Morning: X puffs  
Evening: X puffs

**Partially Controlled Asthma**

Morning: X puffs  
Evening: X puffs

**Uncontrolled Asthma**

Morning: X puffs  
Evening: X puffs

- ✓ Avoid flare-ups
- ✓ Gain insights into how effective your medications are
- ✓ Find patterns in what's triggering your asthma

- ✓ Just as reliable and accurate as meters at the clinic
- ✓ All results are automatically shared with your provider
- ✓ The app shows you exactly what to do with easy to follow videos

- ✓ Get **exact** dosage recommendations based on your current asthma status
- ✓ Avoid taking too much or too little medication
